## DETAILED ACTION

### *Reasons for Allowances*

Applicants' amendments and remarks submitted April 8, 2004 have been fully considered, and are found persuasive. Particularly, claims as amended herein are limited to very specific combination as noted in applicants' remarks. The combination are allowable because of the unexpected benefit shown in the application, e.g., pages 33-42 and the drawing.

1. This application is in condition for allowance except for the following formal matters:

- a) A typographic error in newly submitted copy of claims: claim 57, line 2, the "in" should be "is"
- b) The further recitation of "3TC" or "ddC" in claims with parenthetical expression (claim 56 and 70) is redundant and informal.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

All the US patents listed in the IDSs submitted previously have been considered in view of recent rule change. Attached are the 1449 with proper initials.
